An evening filled with friends of Concordia

Concordia Foundation Raises over \$100,000 for Concordia's Community Clinic Project

The Concordia Foundation thanks all who contributed to the success of its 28th Annual Gala Dinner Event April 21, 2011 and sincerely appreciates the community's long-standing tradition of support.

The generosity ensured that the evening was an incredible success, raising more than \$100,000 net towards Concordia's \$7M Community Clinic Project.

Accompanied by Lt.-Gov. Philip Lee, Ambassador Gary Doer arrived with his wife, Ms. Ginny Devine, applauded by a sell-out crowd of 500 guests at the Fort Garry Hotel & Conference Centre. Hosted by CBC Radio's Marcy Markusa and Terry MacLeod, the highlight of the evening was the presentation of The Martin Bergen Award to Ambassador Doer. Ambassador Doer was distinguished with this Award in honour of his service to the community of Concordia; his leadership to the people of Manitoba; and his diplomatic voice on behalf of Canada. Dr. Thomas Turgeon, President of the Concordia Foundation, presented the Award.

Louise Townsend, Chair of the Gala Dinner Committee, expressed her "gratitude and sincere thanks to the evening's corporate sponsors, guests, volunteers and friends of Concordia who assisted with the success of the evening both financially and with their hard work." We graciously thank our following major sponsors

Gala Ambassador's Circle The Janzen Family
